Items, seldom (if ever) offered, from Venezuela, Philippines, Colombia, Keeling-Cocos, Washington & Fanning, Natal, and many others, including a good number that are, at least thought to be, Unique. Please accept our suggestion to read, or re-read, Ray's article in the June, 1976 Numismatist, entitled "RARE COPPER COINS from the SPANISH CARIBBEAN COLONIES" for background material on the South American entries. Ray's material, combined with several other Outstanding consignments make this Sale a really 'Something for Everyone Opportunity' and certainly one of the most interesting Auctions that it has been our honor to present.

Good Luck to all,

Jess & Vi Peters

TERMS OF SALE

This is a Mail Bid Sale as well as a Public Auction. Mail Bids will be accepted up to the actual starting time for each session.

We act as an agent for the Mail Bidder and will secure the lot for the Mail Bidder at the next regular advance over the second high bid, whether by mail or in person. There is no charge for this service, and competition permitting, the Mail Bidder will often receive a lot at a much lower price than the maximum authorized.

All lots offered are guaranteed to be genuine and as listed. Errors on the part of the Cataloguer will be cheerfully corrected. Please bid carefully as we cannot be responsible for the error of others.

Lots to be mailed to persons not in the United States or its Territories, will be sent only at the risk of the Purchaser. We cannot obtain insurance on material sent by U.S. Registered Mail to other Countries; therefore, purchasers must provide their own insurance or assume the risk of non-delivery. We can obtain insurance, to some countries, for small amounts, when shipment is made by Parcel Post, and for nearly any amount when shipment is made by Air Freight. Both Parcel Post and Air Freight require that we furnish a detailed listing of contents, with price of each item. Since this information is placed on the outside of the package, we feel that it may add to the risk of non-delivery. Foreign bidders must supply detailed shipping instructions and agree to all terms listed hereon, before shipment will be made.

Postage and registration will be added to all lots sent by mail.

State Sales Tax will be added where applicable.

Terms are cash. Checks payable in U.S. funds will be accepted from persons already accredited by Jess Peters, Inc., or from those who furnish satisfactory references and acceptable identification. We must have ample time to check references if they are to be accepted. Payments made by bank transfer from foreign accounts must be made in U.S. Dollars to the Account of Jess Peters, Inc., in care of the First National Bank of Decatur, through any U.S. correspondent bank.

Title to all material offered in this sale, remains with the cataloguer until paid for in full.

Minors are expressly forbidden to participate in this sale.

Lots will be available for inspection by appointment only, at our bank, during banking hours through March 1st, and at the Auction Site prior to each session.

Prices Realized lists will be sent to all persons on our subscription plan. Others may order them at \$1 per copy, and we appreciate payment being sent with the request. Lists are usually mailed within ten days after the close of the sale.

Buy bids will not be accepted.

In case of tie bids, the first bid received will be declared the winner.

We reserve the right to reject any or all bids. It is regrettable that such a term of sale is necessary at all. We will, however, whenever possible, favor the bids of the honorable and serious, over those of the extremely few, who are either a chronic credit problem or who have failed to honor their commitments on previous occasions.
